

Residential Crisis Support Enrollment Form

(Completed by Potential Guest and Referring Worker)

ACMH Residential Crisis Support offers a temporary stay in a home-like environment. Residential Crisis Support provides 24/7 support by staff with lived experience. Residential Crisis Support prevents hospitalizations and emergency room visits. Guests may stay the same day, if a room is available, up to 7 days. During their stay, guests are encouraged and helped to continue with their usual routines, including meeting with their treatment providers. Collaboration between ACMH staff and treatment providers is encouraged, with guest's consent.
